

Test to Stay

HOW IT WORKS | If a JCPS student or employee is a close contact of someone with COVID-19, they now have an option not to quarantine. **To qualify, they have to take a COVID-19 test every night for seven days.** If they have a negative result, they can come back to school or work the next day.

Free testing will be offered at middle and high schools and other select locations in the afternoons/evenings. There are now more than 50 locations available across the district. Click [here](#) for a list of sites and hours.

The Test to Stay program is scheduled to start on Sunday, October 17.

Test to Play

HOW IT WORKS | If a JCPS student (elementary, middle, and high school) is doing any extracurricular activities or sports, they are now required to take a weekly COVID-19 test. Students can take a test at any of our JCPS schools.

The Test to Play program is scheduled to start on Monday, November 1.

The image shows a screenshot of the JCPS Parent portal interface. It is divided into three numbered steps:

- 1**: A grid of icons for 'Complete Forms', 'Apply For School', 'My Family', and 'Infinite Campus'.
- 2**: A 'Required Forms' list with the following items: Student Information, Nurse Office Consent, Student Bill Of Rights, Home Language Survey, Free & Reduced-Price Meal Program, and Consent for Weekly COVID-19 Testing in School.
- 3**: A consent form with the following text:
I, the undersigned, have been informed about the test purpose, procedures, possible benefits and risks, and I have received a copy of this Informed Consent. I have been given the opportunity to ask questions before I sign, and I have been told that I can ask additional questions at any time. I understand that I can revoke my consent for further testing by sending written notice to the school. I voluntarily agree to this testing for COVID-19.
*If you have questions about the testing program before signing, please call Health Services at 485-3387
 I have read the consent form and I agree to have my child tested
 I have read the consent form and I **choose NOT** to have my child tested

Orange arrows point from the 'Infinite Campus' icon in step 1 to the 'Consent for Weekly COVID-19 Testing in School' form in step 2, and from that form to the consent form in step 3.
